

MWA Team News!

MWA Annual Holiday Luncheon

Our annual holiday luncheon took us off-site to Fogo de Chao, where we celebrated the season surrounded by delicious food and great company. A highlight of the event was our Chinese auction gift exchange, a lively tradition where each participant brought a gift valued around \$25. The thrill of choosing a new gift or “stealing” from a colleague added an element of fun and humor, making for memorable moments that truly encapsulated the joy of the holiday season. Together, these events reminded us of the importance of teamwork, laughter, and celebration as we wrapped up another successful year.

Expanding Our Knowledge

MWA Annual Cookie Swap

We also embraced the holiday spirit with our annual cookie swap, which was a sweet success. Each team member brought in their homemade creations, ranging from classic chocolate chip to innovative German chocolate cookies. The office was filled with the delightful aroma of baked goods, and over a lovely lunch, we shared our treats and many laughs!
